

Super Petrel **LS**

 **EDRA**
aeronáutica

PERFECT ON THE WATER, SUPERB IN THE AIR!

Super Petrel LS features everything we desire in a Light Sport. This aircraft is charming, fast and easy to fly, carrying comfortably two people and all baggage. Its 5-hour endurance perfectly suits both vacation and business trips.

We are proud of Super Petrel LS because nearly 20 years of development have led to state-of-the-art composite aircraft manufacturing.

Super Petrel **LS**

TECHNICAL DATA

Motor - Rotax 912ULS 100HP

PERFORMANCE

Cruise Speed (Km/h)	180
VNE (Km/h)	210
Stall Speed (Km/h)	56
Climb Ratio (ft/min)	1.000
Glide Ratio	10:1
Service Ceiling (ft)	10.000
Take Off (ground/water) (m)	80/120
Landing (ground/water) (m)	120/100
Fuel Capacity (L)	90
Endurance (hours)	5:00

WEIGHT

Empty Weight (kg)	330
Useful Load (kg)	270
Gross Weight (kg)	600
Load Factor (G)	4 / -2

DIMENSIONS

Cabin Width (m)	1,16
Baggage Volume (L)	150
Length (m)	6,25
Height (m)	2,33
Wing Span (m)	8,90
Wing Surface (m ²)	15,0
Landing Gear	Trigear/Retractable
